Key note speech by

Peter Ammon

Ambassador of the Federal Republic of Germany to the U.S.

The GACC's traditional New Year's reception is our first annual highlight and our way to welcome the New Year. Around 150 members of the Chamber gather for a sit-down luncheon at a prime New York City location. This is an excellent opportunity to not only get to know fellow members but also the Chamber's management and Board of Directors. Be at our side to welcome 2012 and toast to another successful year!
