

GACC National Partner Program Designed for Nationwide Exposure

Benefits of the GACC National Partner Program

GACC Midwest, GACC New York, and GACC South collaborated to introduce the GACC National Partner Program, a unique membership level for members seeking nationwide access and exposure within the GACC network.

The National Partner Program allows for the highest membership level at each individual chamber, ensuring that your company is afforded maximum membership benefits nationwide.

COMPREHENSIVE BENEFITS	<p>Three Memberships in One</p> <p>Your company will receive the highest membership level and accompanying benefits at each individual chamber: GACC Midwest, GACC New York, and GACC South.</p>
ACCESSIBILITY	<p>Access to Events and Programming Nationwide</p> <p>An unlimited number of employees can participate in the Chamber network’s 200+ events and programs annually. Additionally, we offer discounted member rates on consulting services.</p>
NATIONWIDE VISIBILITY	<p>Digital and Print Recognition</p> <p>Each chamber will highlight your company as a National Partner via a designated section of its respective website, increasing your corporate profile amongst our other members.
